Thank you for choosing the RETURNPAK® container service for the proper handling, return transportation and disposal of your Cactus® Sink Cartridges (The word "MATERIALS" is used herein to describe the wastes). Each RETURNPAK® container is compatible for specific MATERIALS. Please check your RETURNPAK® container to verify the container is suitable for shipping your specific waste. In order to serve you better, we have prepared these Terms and Conditions to set forth your and our rights and obligations. Please understand that, by using RETURNPAK® containers, you are agreeing to these Terms and Conditions.

Refunds- If you purchased your RETURNPAK® online at www.prepaiddisposal.com or any of our manufacturing partner web sites and do not agree with these Terms and Conditions please call us, within 15 days, toll-free at (888) 669-9725 for return instructions. We will make every effort to send you a refund following receipt of the unused RETURNPAK® containers and unused FedEx Ground® Package Return Label. To be eligible for a refund, you must provide a proof of purchase, so please retain your receipt showing the purchase price and date. If you purchased your RETURNPAK® from a distributor or third-party, please contact the distributor or third-party directly to request a refund.

Our Promise- We promise that our RETURNPAK® containers, provided they have not been damaged and have been properly packed and sealed in accordance with our instructions, with contents limited to only the MATERIALS described above, in containers required for specific MATERIALS described above, are suitable for shipping those MATERIALS. (If a prepaid shipping label was provided to you with the container, please use it to ship your MATERIALS to us. If you did not receive a prepaid shipping label, you are located in a state or jurisdiction that does not allow their use. In this case, please contact Veolia toll-free at (888) 669-9725 to arrange for shipping). In accordance with 40 CFR 264.12(b), and all other environmental regulations we have the appropriate permits and agree to receive the MATERIALS, as described on the RETURNPAK® label and packaging instructions. We also promise that we will properly manage, recycle and dispose of the enclosed MATERIALS in accordance with the law, provided that we receive the RETURNPAK® container within 18 months of purchase date. If you abide by your promise as stated below, we agree to take title, and all other incidents of ownership, to your MATERIALS at the time that the RETURNPAK® container(s) is received by our transporter. If, for any reason, our carrier as identified on the prepaid return label will not ship the RETURNPAK® container, we will work with you to identify alternative shipping. We will refund the actual shipping charges received by us from you if similarly priced alternative shipping cannot be located.

Your Promise- You promise that you will send us only the MATERIALS described above, in undamaged RETURNPAK® containers packaged in accordance with our instructions, in a quantity that does not exceed the stated capacity of the containers and in RETURNPAK® containers required for specific MATERIALS. If included, you promise to properly fill out the prepaid shipping label (name, address, city, state or province, zip or postal code) and affix where stated to the container. Furthermore, you promise not to place the prepaid shipping label on any pail, box or drum other than the RETURNPAK® unless the container is undamaged and provided directly from Stryker Instruments, which originally contained the Cactus® Smart Sink filters. If required by the RETURNPAK® container, you certify that you qualify as a very small quantity generator or a conditionally exempt small quantity generator or are otherwise exempt from hazardous waste manifesting requirements in accordance with applicable state and federal regulations.

Please understand that your failure to keep your promise may result in bodily injuries (including death), property damage, contamination of or adverse effects on the environment and/or violation of applicable laws or regulations and may also result in our seeking indemnification from you under the Indemnification section below. Legal action, suits, claims, costs and expenses incidental thereto, in addition to government-assessed fines and penalties could occur in connection with your failure to keep your promise.

Additional Charges and Return of Materials - So we can serve you better, please be sure to use only RETURNPAK® containers for sending us only the MATERIALS described above and to use them in accordance with our instructions. If you send us a NON-CONFORMING CONTAINER, we will try to manage its contents, if possible, but we will charge you for any extra costs in addition to the ADDITIONAL SHIPPING AND HANDLING FEE listed above. Those costs shall be based on the retail rate for a RETURNPAK of similar size as published at www.prepaiddisposal.com at the time we receive the NON-CONFORMING CONTAINER. In the event you send us wastes that are not MATERIALS and we are unable, for any reason, to manage them you agree we can return the wastes that are not MATERIALS to you at your expense and you also agree to still pay us the ADDITIONAL SHIPPING AND HANDLING FEE above.
